Due to the nature of our programs that are heard on-line over the internet, programs heard on this radio station's internet audio stream are slightly delayed from the time the programs are heard on the broadcast station, and will be running behind the broadcast signal. Thus, all content heard, including news alerts, contests, traffic reports, and more are delayed. This delay can last for as much as 30 seconds or more. This also means that when WFPG contests are played that requires a specific caller to telephone the radio station, listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contests on-air. In any event those who participate in the station's contests by listening over the Internet, should take this time delay circumstance into account in calculating the actual dealing within which they must call the station.

5. **RESTRICTIONS:** Employees of WFPG-FM Lite Rock 96.9, employees of other radio stations in Atlantic/Cape May County, and their immediate families may not participate and are not eligible to win.
